Case No. C09-0428RSL

ORDER DENYING MOTION
FOR SUMMARY JUDGMENT

This matter comes before the Court on plaintiff's motion for summary judgment. That motion (Dkt. #8) is DENIED because there is no evidence that plaintiff ever served the defendant vessel with the summons and complaint. Nor is there any evidence that plaintiff served defendant with a copy of this motion. See Declaration of Dennis Moran, (Dkt. #9) at ¶ 5 (explaining that counsel "will send [defense counsel] a copy of the pleadings today"); see also Local Admiralty Rule 130 (requiring that a party seeking a judgment must give notice as specified in the rule). Plaintiff may refile the motion after service has been effected and proof of

1 the same has been filed.
